2025-2026 Application for New Students:

Green Sprout Learning (GSL) is an Early Childhood Education Program (ECE) available to students ages 3 and 4 years. GSL has a 2-year curriculum, alternating between a 3-year-old class and 4-year-old class. This application is for the 2025-26 school year. For the 2025-26 school year, our classroom will be enrolling 3-year-olds. All students enrolled must be potty trained and turn 3 by October 1st.

You will be notified via email should your child be accepted into the Green Sprout Learning program. Completing this form lets the school know your interest in enrolling your child(ren) in our program. I understand that submitting this form and/or touring the school in no way guarantees my child(ren) enrollment in Green Sprout Learning, nor does it obligate me to enroll my child(ren). I also understand that it is my responsibility to contact the school with any changes to my information and that GSL is not responsible for the inability to reach a parent/guardian should an enrollment offer be extended.

New Student Application Questionnaire:

The purpose of these questions is to better understand your expectations and build connections with our prospective families. These questions also help determine the best fit possible for our small community of learners. Thank you for your time and commitment helping Green Sprout Learning build the best foundation for your little Sprout.

1. If any, please list your child's previous school/ peer group experiences.

Name of Preschool or Peer Group Experience	City, State	Participation Dates/length of attendance	Please list the duration of time your child spent at this experience (days/week, hours/day)

2. Why are you considering Green Sprout Learning for your child?

3. What are your hopes/goals for your child this school year (social-emotional/educational)?

4. What situations or activities does your child enjoy or excel in?

What situations or activities does your child avoid or cause your child stress?

5. Please describe any additional support your child may need during the school year (educational, physical, medical, behavioral). Knowing this helps Green Sprout find the support and resources to accommodate the individual needs of every child and create an environment to promote successful play and learning.

6. Please share anything else about your child or yourself that would help us know you better.
